Escape into indulgence  
& romance

## A 5-star haven for relaxation, pleasure & romance

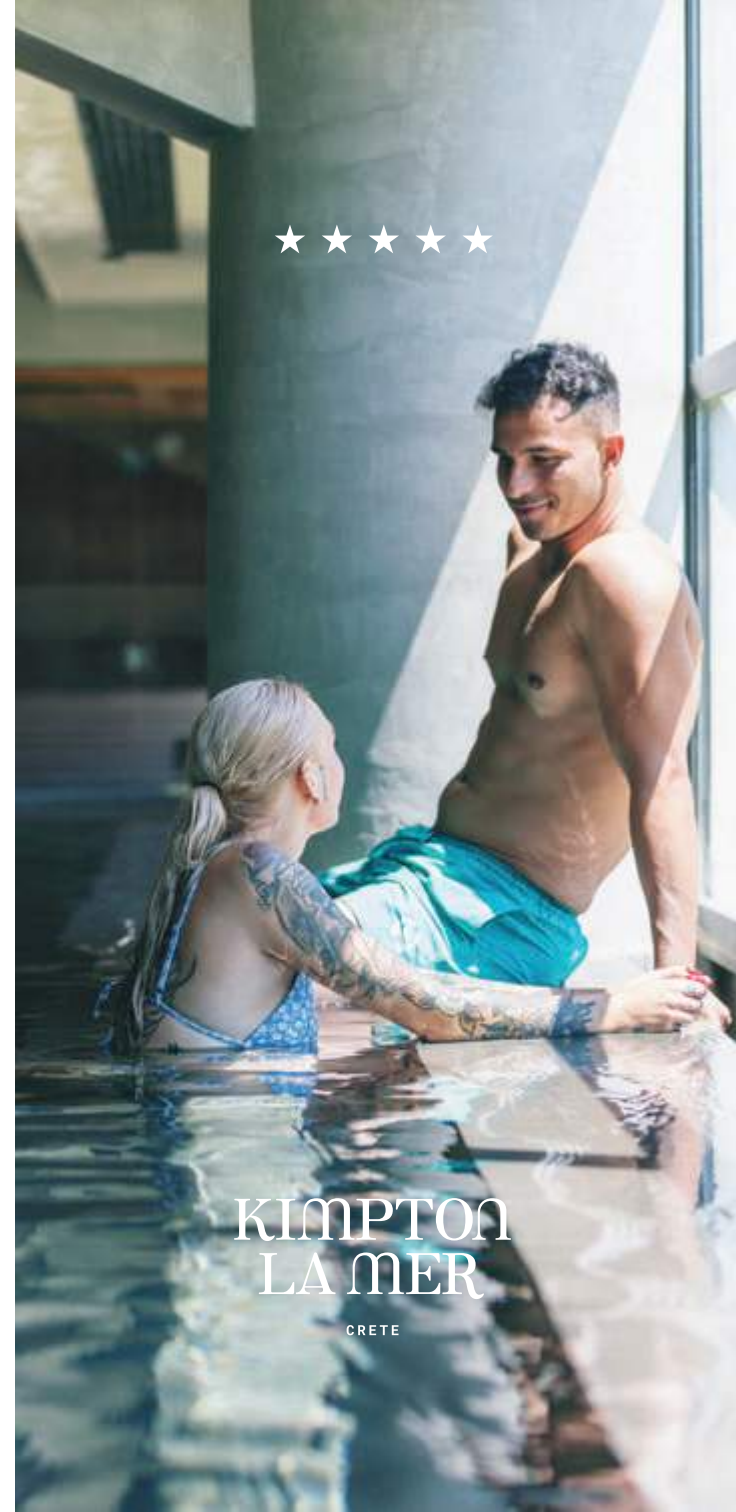

We have created KIMPTON LA MER for those who dream to escape into a serene haven of beauty and indulgence, in order to rejuvenate and re-connect with themselves and their significant other.

Located on a beautiful pebble coast, with magnificent views of the blue Aegean Sea and the rugged Cretan landscape, KIMPTON LA MER offers a peaceful, adults-only, ultra-stylish ambience for those seeking to explore life's pleasures.

We have carefully designed a portfolio of services targeted to heighten all senses through flavors, sounds, aromas, sensations and vistas. We believe that through the senses we humans are able to access the experience of "living in the moment". In that sense our senses become the gate that leads us towards a more conscious, mindful everyday living experience.
